PLEIN AIR ART COMPETITION

Paint Livingston Plein Air Competition, October 3-5, 2024. Registered artists must paint at or near one of the areas designated on this map. Designated areas will have signage installed during the competition. Artists can paint from dawn until dusk on both Thursday and Friday, although we encourage everyone to attend the opening reception and dinner on Thursday, starting at 5pm. All areas are within the city limits except Standing Stone State Park and Mitchell Creek Marina on Dale Hollow Lake, which are both 20-minute drives from downtown, and Lillydale Campground & Day Use Area on Dale Hollow Lake, which is a 30-minute drive from downtown. We encourage artists traveling to these more remote locations to do so with a buddy. Cell phone coverage at these remote locations may be spotty.
